

YOUR EX-EMPLOYEE DATA

Is a liability today. It could be an asset.

98% Faster Processing

90% Reduction in Admin Work

WorkTrail

centralises, automates, & monetises the entire verification workflow for exited employee records

so your HR team can focus on hiring, not fielding calls from third-party verifiers.

Powered by **Securitas India**, backed by **25+ years of background verification expertise reach across 180+ countries.**

Core Capabilities

- Centralised Ex-Employee Records
- Real-Time API Verification
- Third-Party Request Automation
- HRMS & Offline Integration
- Data Monetisation Engine
- Encrypted Secure Storage

Why WorkTrail?

- Transform a **cost centre into a new revenue stream** with per-verification monetisation
- 90% reduction in admin workload**, HR focuses on hiring, not fielding verification calls
- GDPR, FCRA & PIMS compliant**, zero data privacy risk, full audit trails

Securitas India: Partner Of Choice?

- Platinum Background Verifier by NSR - Nasscom
